Our Facility

Founded in 2003, Sports Licensing Solutions, LLC is a privately held company owned by one of the industry's most successful and experienced teams in mat manufacturing. SLS produces a wide range of officially licensed products including mats, rugs, and auto accessories. SLS holds licenses for MLB, NFL, NHL, NBA, Ford, United States Military, FC Barcelona and the top 250 colleges

Due to sustained growth over several years, SLS relocated to a larger 257,000 sq. ft. manufacturing facility in Suwanee, Georgia. To support our rapid growth and new facility, SLS has invested in a state-of-the-art ChromoJET printer to enhance our carpeted products. The ChromoJET has increased total capacity by 20% and has given our customers almost limitless color and graphic options. In terms of our vinyl production, we are now able to make a large number of our vinyl mats on site with recycled materials using our injection molding machines, which makes the production process more efficient and eco-friendly.
