- Tailgate liners come equipped with cup holders
- Made in the U.S.A.
- Limited lifetime warranty

BED MATS

Application-specific mats fit perfectly into your truck bed; universal mats and tailgate protectors also available.

- Underside allows for drainage to keep truck bed dry to prevent mildew
- Made with 100% U.S. recycled rubber
- Will not crack or break
- Includes high strength Nyracord®
- 3/8" thick
- Made in the U.S.A.
- Limited lifetime warranty

TEXTURED PEBBLE SURFACE ►

Textured pebble surface helps reduce shifting, while raised ribs ease loading and unloading of cargo.

VINTAGE TRUCK BED MAT

Classic wood grain etched design with raised panels which provides a unique, finished look for your new truck or vintage restoration. Integrated handles provide easier installation and removal. All TrailFX® vintage bed mats are 4' wide and available in 5.5', 6.5', and 8' lengths. Universal fit allows use in any truck, commercial van, or as a work/counter mat.

- Made of 100% U.S. recycled rubber
- 3/8" thick mat protects the bed and creates a flat, anti-skid surface
- Grooved back allows drainage to keep surface below dry
- Will not crack or break
- Made in the U.S.A.
- Limited lifetime warranty

ALTERNATORS, STARTERS, AND ACCESSORIES

ALTERNATORS

Excellent output at idle with proof of performance tag. Alternators have heavy-duty diodes and oversized bearings.

HIGH TORQUE STARTERS

High torque performance starters are ideal for high compression engines that need lots of torque to turn over. They are also great at standing up to the heat of a performance engine compartment.

BATTERY DISCONNECT SWITCH

Disconnect your battery the quick and easy way. This disconnect switch allows you to power off your battery and prevent drained and dead batteries without the hassle of undoing the terminals every time.
